We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's responsibilities for the audit of the Financial Statements section of our report. In preparing the Financial Statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

This responsibility includes maintaining proper books of account, safeguarding the assets of the Organisation, preventing and detecting frauds and irregularities, selecting appropriate accounting policies, making reasonable accounting estimates and maintaining adequate accounting records.

## **9. Auditor's Responsibilities for the audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable Assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

**As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:**

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Reporting under Section 143(3)(i) of the Companies Act, 2013, regarding maintenance of adequate internal financial controls system in place and the operating effectiveness of such controls is not applicable to the Association during the financial year since the Association is a small Association.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our

auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**NOTE NO.: 16 SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS  
FOR THE YEAR ENDED ON 31<sup>ST</sup> MARCH 2026**

**A. Statement of Significant accounting policies followed in compilation of the Accounts:**

**1 Basis for preparation of financial statements:**

The financial statements have been prepared in accordance with the Accounting Standards specified by the Institute of Chartered Accountants of India and relevant provisions of the Companies Act, 2013. Wherever the same had not been followed a specific recital to that effect is being given hereunder.

**2 Method of Accounting:**

The books of account are maintained on the accrual basis of accounting in accordance with the applicable Accounting Standards and generally accepted accounting principles.

**3 Taxation:**

Provision for current income tax is made on the taxable income, if any, at the rate applicable to the relevant assessment year.

Deferred tax is recognized, subject to the consideration of prudence, on timing differences, being the differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. The effect of deferred tax assets and liabilities arising from changes in tax rates is recognized in the Statement of Profit and Loss using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. However, where deferred tax assets relate to unabsorbed depreciation or carry forward of losses under tax laws, such assets are recognized only when there is virtual certainty, supported by convincing evidence, that sufficient future taxable income will be available against which such deferred tax assets can be realized.
